Dear Toni

As I explained in my previous email, Stu Macann & Associates Limited has ceased trading. Skills New Zealand Limited has purchased Stu Macann & Associates Limited and also purchased the trade name of NewJobZ. This is a new organisation with different internal structures and new service offerings. Therefore your Member Agreement with Stu Macann & Associates Limited is no longer valid. You cannot remain a Member of Stu Macann & Associates Limited, because the business entity no longer exists. Because you were accepted into the Stu Macann & Associates Limited Membership program, you are invited to transfer your Membership into the new FastTrack Migrant category of Skills New Zealand.  
**.....etc.....** Skills New Zealand will continue to honour your original Member Agreement, **except for any refund policy** agreed to by Stu Macann & Associates Limited, and will continue to assist you with your immigration process and job search. **.....etc.....**

(You can read FULL content of our Emails correspondences in annex documents: > NewJobZmails\_Full < and > NewJobZmails\_Compact < )

Andrea,  
I will ask you something! **If you were on my place** what will you do? You will say OK, No Problem, Thank you very much, **I will accept my horror destiny and I will forget NZD\$2997 member fee-my money** and everything else-2years gone for nothing! **What do you offering to me?** To continue with job search but you won't be responsible to refund my money and as you wrote, promises made by Stu Macann & Associates Limited. **You expect to believe** in your words that now in your NEW firm >Skills New Zealand< **you will continue with Job Search process for me and everything will be OK. Two years you hadn't**

**success to find me a Job and what will be now or in next several months? Nothing!** My predict is that you will not have success to find me a Job (like past 2years) and **what will happen after that?** You will say: **Toni we are sorry** we can **not find Job** for you **and because you agreed to become FastTrack Migrant we won't refund** your past membership payment **NZD\$2997**, goodbye and good luck!

Past 2 years (or 3years at all) I have exchanged many Emails with you and I am sure that you know one thing about me, especially Mrs. Luan Van Staden my Employment Manager, and that is: I am very importunate, willful and patient men! **What do you think?** That I will cancel everything, **forget my money and 2 years=>gone for nothing! NO !!** You ruin my and my daughter dream, **you take my money** and now when I am almost 47 years old my chance to get any kind of Visa from NZIS is very small or impossible!

If you and your team think that I will **quit from my money** you are very wrong! Maybe for NZ standard NZD\$2997 is not big money but in my country that sum of money **is One Year Salary**, almost! In all of this mess with you **maybe money it isn't most important thing!** **My final purpose will be you and your team Never Again to do this kind of thing to anyone else and to play a game with overseas emigrant and their dreams for better life!** What do you think? That in one simply way, you can CLOSE one firm and OPEN another **with almost the same key people**, Andrea, Stu, Keith and Craig: [http://www.skillsnz.co.nz/skills\\_new\\_zealand\\_meet\\_the\\_team.html](http://www.skillsnz.co.nz/skills_new_zealand_meet_the_team.html) > and to **finish** with all of your **DEBTS!!** Yes, I know that overhead everything it is OK and Legal but I want and **I will ask you something? How menu Members as I am, from all around the world, will lose their Money-Membership Payment? I don't know, you tell me!**

I know that my chances **to refund my money are very small** but I will tray to be patient until 21<sup>st</sup> of December and maybe you will have understanding for my situation and you will refund my money!!

After that I will ACT. Maybe not instantly because it will start Christmas & New Years Holliday's, after that NZ summer period and maybe I will wait till March when your summer holiday will finish and everybody will be on their work places; I will decide later! But I will ACT 100% - no Doubt!!

My first action will be:

I will send arguments and evidence for >My NewJobZ NZD\$2997 CASE<> Our Contract Agreement and Membership payment with Diners Club card via Westpac NZ bank, our Emails correspondences and your promises, etc... In Christchurch, Wellington, Auckland and all around in New Zealand!! First: to NZ Immigration Authority, [www.immigration.govt.nz](http://www.immigration.govt.nz), NZ Police Department, to NZ famous Newspapers, TV, Radio and Internet station, to every NZ Email address which I will find on Internet who is in connection with firms who works with Immigrants and Recruitment Company, etc... I want everybody to know what the truth is about >My NewJobZ NZD\$2997 CASE<, and who main actors in this >Game< are! **Maybe we will discover how many Members have lost their money and >BURN< in yours death firms...etc...**

I don't care what you are doing there. Do you buy bankrupt firm, close one firm and open another or as I can suspect, you play some kind of dirty Game! That is your Problem! **I want My MONEY BACK!** I will fight for my rights to refund my money with all my heart.

If I can not refund my money **I will try to stop somebody else to Burn as I am, in your new firm because I am sure that after 2 or 3 years you will close >Skills New Zealand< and you will open another firm with different name but with Almost the same stuff;** four key people: Andrea, Stu, Keith and Craig **and for sure=NO money Back=Guarantee! How many NEW Members like me will BURN in your New >Game<, we will see then?! Or maybe somebody who is responsible for this kind of >GAME< will STOP you !!**

My first contact with >NewJobZ< and Mr. Keith Lightfoot was on 17Feb.04. On December 18, 2006 **it will be exactly 2 years as I am a >NewJobZ< Member (Gold) and I think that 2 years is more than ENOUGH** for Job search Process what >NewJobZ< are doing for me, especially .....etc.....

I have only to say this; as my FINAL decision:

**I do NOT want to transfer into the FastTrack Migrant category and I want to REFUND my initial member fee NZD\$2997 (in Euro) as we assigned in our original Contract Agreement !**

I am sure that We will finish our cooperation in respectable style because I had and I have **full confidence** in You and your team **and I hope that you will refund my money without any problem**, As soon As possible !

Dear Luan,  
I made a little change in my CV because .....etc.....  
**I have NO comment only that has been gone almost 2 years and still I am waiting Job Offer from "NewJobZ"**. As time was going I have started to think that "NewJobZ" will never find Job Offer, real Job for me. I have started to lose my patience and nerves because two years is long time for waiting especially for somebody who is on my age. Another thing is that I can't start any serious Job, here in my country because as we want to say here: "I fly in the Sky but I can't catch a cloud". Every step in my life depends from the fact: Will I get Job Offer and will I come to start new life in New Zealand?!

Past several weeks I have been thinking intensively. I had on my mind that is enough with waiting; that now is the time to stop my emigration process and to request refund of the initial member Fee! But something had happened; good, I hope so! That event changes my intention to refund my money from "NewJobZ" and to quit my immigration process. However, that will be the last thing which I have intention to do related to my Emigration process in NZ because I want to continue with my normal life, whatever it will be in New Zealand or in my native country. ....etc..... I hate to say this, **If not, we will quit our cooperation and I will ask to refund my money as we assigned in our contract agreement. ....etc.....**

Dear Luan.....etc.....

Luan, my previous mail, my intention and all my efforts are: You and "NewJobZ" team to continue with my Job Search Process, to find suitable Job and Job Offer for me and I want New Zealand to be my final destination end my home. So:

I DON'T want "NewJobZ" to stop with my Job Search Process; I want, You and "NewJobZ" team to continue with Job Search Process for me. I don't want to return my membership payment and I'll be happy to pay the rest of fees if you'll find suitable Job for me.

I am prepared to wait and only thing what I want from you ("NewJobZ") is:

**If you ("NewJobZ" team) feel (NZ Job Market) that you wouldn't find suitable Job for me, Please inform me when you will decide to stop and quit Job Search Process for me and after that you can return my membership payment. ....etc....**

4Dec.2005

Hi Luan...etc....

What can I say, I was right when I said that you upset me a lot, when you wrote me to search Job by myself in my country, because **that was very bad sign** about my chance "NewJobZ" to find me a Job in New Zealand but I was wrong about my Optimism.

I have been thinking a lot for several days ...etc....One fact is upsetting me very, very much: I have **lost** ONE year with "NewJobZ" team and Job searching process for me as a member. I claim it was one very valuable year for my age level. "NewJobZ" accepted me as a member when I was 44,6 yrs. and now I am 45,6 yrs. **I've had full confidence in you and REALLY I've had very big hope that you will find a Job for me. Now I can see that I've been wrong.** A lot of my friends chat with me that I am in illusion, that I've made a mistake and that **I will lose on the end**, that your only intention has been to circulate my money, but I didn't listen them - because I believed in "NewJobZ" especially in the beginning when **Mr. Keith Lightfoot assured** me that "NewJobZ" has very big validity as a firm especially if "NewJobZ" will accept me as a member. I exchanged with "NewJobZ" more then 200 Emails with one reason only, to secure Job and Job Offer for me. Yes Dear Luan, I know that you will say: "NewJobZ" can't guarantee a Job for the "members"- I know that, but **I've counted on several things and facts when you accepted me as a member:**

**1.** You accepted me as a member when "NewJobZ" **wasn't in growth and in progress as it is now, I paid almost 2000 Euros' (big money for my country standard- one year salary)** for initial assessment and membership **without any doubt in you** and I can say that I am a part, maybe small but a part for "NewJobZ" progress.

**2.** You knew about my age, in that time 44,6y, also that I have high school degree only and you accept me as a member!

3. I had full confidence in "NewJobZ", I've never asked and mentioned that maybe I am too old for the "NewJobZ" Job Search Processes, **because you accepted me as a member.** I didn't mention, that every employer will think a lot before he decides to give a Job to a 45 y. old person. Why? **Because I had full confidence in you** and I believed that you would find Job for me, and because you knew my situation about my age, my education, work experience **and you accepted me as a member.**

Now I know that after one year you want to cancel with my Job Search Process and reduce (no, no reduce-destroy) my chance to realize my burning desire (as you want to say "your dream") to live near the Ocean in my favorite country New Zealand. **I think that it is very bad and very unfair, from your side.**

I mentioned Australia but as my LAST **...etc....** and my chance to migrate in Australia on the age of 47 or 48 will be **very small, unreal and I can say Impossible ...etc....** YOU are my last real CHANCE for immigration. **...etc....**

Sorry Luan I fill that you, as a person, have not had an intention = but "NewJobZ" ruined my, as you said "dream" but I don't call that a dream, I call that a future for me and my daughter Dena. FUTURE! One year has gone for nothing. UNFAIR against me, at all!

Dear Luan, if you and your "NewJobZ" colleagues (**especially Mr. Keith Lightfoot**, because my first contact was with him, **he influenced on me** and he was very importunate on the beginning before **my payment** when the "NewJobZ" wasn't so big as it is now (our first contact was on 18Feb2004) = DO NOT HAVE TO SAY ANYTHING for above mentioned arguments and for my future **and maybe to offer me some real OPTION:**

**I will say OKAY, and I will give you my Bank Details and SWIFT code to return my membership payment (NZD\$2997) as we signed in our Contract Agreement.**

Kind Regards  
**Toni**

What is my point: I have one request from you, if that is possible, **to speed my Job search  
process** and **to find me a Job faster because** in IT sector, it is very important to be always in trend (online)  
with new IT technologies.

That was only my request! I want to emphasize this, again: **I have full confidence in you and

it takes, however I hope that you will find Job for me in next 6 months** (till the end of 2005)

Many Thanks on your attention and I am waiting my Job Offer.

The payment will be done through my "Diners" credit card. I know from my Associate Payment that "Westpac" bank has an option to accept payment with "Diners" card.

Dear Andrea sorry for these concerns and questions. **I am sure that when I was accepted in the Member Core you inspected all details** that were given to you. **Because this is very big step and decision in my life,** I feel the necessity of telling this to you again.

**Member Payment is the real evidence that I am very serious in my decision for immigration in your country and that I have lot of confidence in "NewJobZ".**
