2004 has been a fabulous year of getting to know our Associates and Members more personally.

When we opened the doors of NewJobZ we never imagined that helping people to secure a good job and move to this beautiful country would be so emotionally rewarding and so fulfilling.

Throughout the year many Members have accepted jobs in New Zealand, settled with their families and become a special friend to all of us at NewJobZ.

Only last night at a social gathering, two Members were describing their initial fear and concerns about using our service and about emigrating with their family. It was wonderful to see them enjoying themselves, to hear of their successes in New Zealand, to speak with their children and to realise that we played a very small, but vital part in bringing their dream to reality.

A few weeks ago one of our Member families announced that they will be having another baby next year, this time as a New Zealand citizen! The joyous celebration amongst the NewJobZ team at hearing this good news was testimony to the heart of our team and highlights the generational part of our service.

Some of the events of 2004:

- 1. The release of our highly acclaimed, new multimedia Associate Pack*
- 2. Formal entry into the Auckland region with our new office complex opening early January*
- 3. Introduction of the NewJobZ Settlement program at no cost for all Members*
- 4. Attendance at the London and European Immigration Expos*
- 5. Initial planning for our new Head Office complex in Christchurch*

We look forward to being of service to you and your family in 2005.

Wishing you all a safe and happy holiday season!

Best regards

From the Team at NewJobZ
